Purpose of the Goal Group

Liz Tuck presented to Goal Group 1 on the strategic planning for Goal Group 1. Goal Group 1 is to focus on enhancing the talent pipeline of work-ready individuals and connect that diverse workforce with high quality, sustainable jobs. Liz Tuck would like the group to pick one or two of the overall goals and focus on those strategies. One major strategy that will be focused "Invest in Career Pathways that respond to employers' need and job seekers' interest."

Goal Group 1 is interested in setting up a meeting with the Central Arizona College President to discuss housing an ARIZONA@WORK Pinal County Staff member at the Central Arizona College (CAC) to assist students with career services. This ARIZONA@WORK Pinal County staff member would be available to speak to students in high school about career pathways. The Goal Group would like to see costs associated having a staff member houses at CAC, and explore housing a ARIZONA@WORK staff member at all CAC campuses.
