

**Maintenance Technician Program  
Schedule of Classes  
January 23 – March 10, 2023  
Flagstaff- CCC 4<sup>th</sup> Street Campus**

Coconino Community College offers a six-week course in training for Maintenance Technician. Participants will take the industry certification test for the National Apartment Association. The Certificate for Apartment Maintenance Technician (CAMT) is a nationally recognized certification in the maintenance field. Course curriculum includes:

- HVAC Repairs and Preventative Maintenance
- Overview of Maintenance and Fair Housing
- Personal and Property Safety
- Customer Service and Satisfaction
- Electrical, Plumbing, Appliance Repairs, Preventative Maintenance, and Replacements

The approximately 90-hour course at Coconino Community College is sponsored in partnership with the Coconino County Health & Human Services, the National Apartment Association and CCC. Funding for the course is available through ARIZONA@WORK or Phoenix Indian Center for eligible participants.
