

**Performance Excellence Committee
Workforce Arizona Council**

Program Year 2016 Charter

Committee Purpose

The purpose of the Performance Excellence Committee, a standing committee of the Workforce Arizona Council, is to ensure the development and operation of a highly integrated, job-driven workforce service delivery system that contributes to the growth of Arizona’s economy by matching the employment needs of job seekers and employers’ current and future needs for skilled labor. This includes:

- Ensuring the development of a fully integrated model of service delivery.
- Encouraging the use of evidence-based, best and promising practices for service delivery.
- Focusing on continuous evaluation and improvement of services.
- Ensuring effective outreach, engagement, and access to services for all segments of the population including those with potential barriers to employment.
- Identifying training and other strategies to strengthen the capacity of local Boards and workforce systems to improve performance.

Membership

Name	Representing
Thomas Winkel, Chair	Arizona Coalition for Military Families
Beverly Wilson	Adult Education, ADE
Bryan Durham	Arizona Department of Veterans’ Services
Doug Yonko	Hensley Beverage Company
George Ovalle	Arizona@Work Coconino County
Steve Chucuri	Maricopa County Board of Supervisors

Trevor Stokes	Arizona Commerce Authority

2016 Goals

1. Revise the Workforce Arizona Council policies to incorporate the new workforce regulations under WIOA.
2. Oversee the Local Workforce Development Board certification process including the Board self-assessment process and identification of LWDB governance capacity-building needs.
3. Provide guidance for development of a statewide training program, including a focus on timelines, effectiveness measures, methodology, costs and monitoring of progress.
 - Identify core competencies appropriate for informing a statewide staff training program.
4. Oversee the development of the One Stop operator procurement process and the creation of appropriate firewalls in compliance with WIOA regulations.
5. Identify the workforce systems business engagement capacity, including training needs and other strategies related to business engagement.
