1

Go to the Arizona Job Connection (AJC) homepage at www.azjobconnection.gov/ and select the language you would like to use

2

Click on the Job Seekers dropdown arrow on the top-right corner of the screen and select "Create an account."

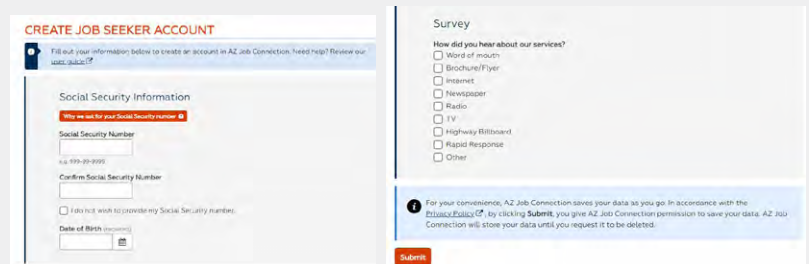

3

On the Create a Job Seeker Account screen, enter your personal information, create a username and password, and then hit "Submit."

Password & Username Requirements:

- **Username:** 6 and 20 characters with no spaces or special characters
- **Password:** 9 and 128 characters and can include letters, numbers, and special characters

Note: You are not required to enter your Social Security Number (SSN), we recommend entering it to check if you're already registered in AJC or received workforce services in Arizona as a result of Unemployment Insurance Benefits, Cash, or Nutrition Assistance. Your SSN is used to support data collection and reporting requirements.

4

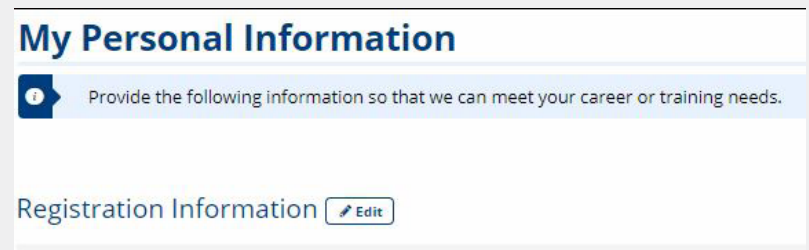

Agree to the **Terms of Agreement and Data Privacy Notice** through DocuSign or by using your Username or Password.

This **Authorization for the Release of Information** section is optional and gives you a choice of which state agencies, organizations, and programs you would like your personal information shared.

5

Next, on the "My Personal Information" screens, enter household, demographic, Veteran, disability, farmworker, and employment status information.

You have successfully created a Job Seeker account and can create your online resume to get matched with hiring employers!
