Available Workshops and Assessments

Financial Empowerment

This workshop is for those looking for tips and resources on how to manage their money. Gain skills to plan your finances, create a budget, save money, and manage credit cards and debt effectively.

Interview Workshop

Enhance your interview skills through mock interviews with our staff and receive tips for both in-person and virtual interviews. Attend this workshop to increase your success in the interview process!

Job Search Workshop Lab

Attend this interactive workshop to gain confidence and guidance for a successful job search. Learn how to prepare for your job search effectively. Leave with valuable resources and job leads.

Resume Writing Workshop

Do you need help writing your resume? Come to this class and learn how to format and write a basic resume. Get your resume accepted by computer tracking systems and land yourself an interview! Stay after this class for our Resume Lab to write and walk away with a resume.

Resume Lab

Come to this hands-on lab with your work history. You'll sit at a computer and write your resume with the assistance of a workforce staff person. You must attend Introduction to Resume Writing prior to attending this lab. You may attend the lab, week after week, as many times as you like.
