Certificate for Apartment Maintenance Technicians

CAMT

CERTIFICATE FOR APARTMENT MAINTENANCE TECHNICIANS

Earning your CAMT validates your knowledge, enhances your reputation and credibility, boosts your confidence, and earns you respect. Flagstaff training tailored for the community's needs! Content will include maintenance for houseboats, hotel and motel, and other commercial industries.

You'll learn about:

- Electrical Services and repairs
- Plumbing services and repairs
- HVAC services and repairs
- Painting services
- Construction services and repairs
- Mechanical services and repairs
- Appliance services and repairs
- Lock and key services and repairs
- Customer service and performing maintenance tasks according to company policy and procedures
- Minimizing personal and property damage while safely performing maintenance activities
- Fair housing regulation compliance
- Environmental responsibility and regulatory compliance
- Reporting and documentation of maintenance activities in compliance with company policy and regulation
- Established procedures for maintaining recreational facilities and common areas
- Implementation of a preventive maintenance schedule
- Product repair and replacement decisions
- Professional behavior patterns, communication skills, and appearance
- Clear and respectful communication with residents, team members, and contractors

If you're a **maintenance technician** or a **porter, housekeeper, or groundskeepers** ready for advancement we recommend this course!
